

## AM security systems

# FLOOR LOOP

The concealed AM floor loop detection system is installed into the shop floor, maximizing the full potential of an open store entrance. With reliable, outstanding detection it's the choice of many retailer looking for an invisible anti-theft system.

### Fully scalable

The concealed AM floor loop is designed in a way to be scalable to fit in all doorways and secure up to 4m.

### No receiver coils

Even on bigger entrances the concealed AM floor loop guarantees an outstanding detection of both labels and ferrite tags. There is no need to install additional receiver coils.

### Easy installation

Installation of a floor system has never been easier since the system only consists out of 1 loop and 1 controller. The loop has potential to secure doorways 2m, 3m or 4m.

### Auto Synch

Part of an easy installation process is automatic synchronization. The concealed AM floor system automatically adjust to its preferred settings based on its actual loop size.

### Connected system

As with all the MTC AM systems the concealed AM floor loop also has the option to be equipped with a TCP/IP module, making it a connected system.

## Features

Advanced anti noise algorithms	●	Programmable sound and light	●
Jammer Alarm	●	Internet access	●
Near Tag Alarm	●	Tuning Software	●
Silent Alarm through app	○	Extended Connectivity	○
System Status	●		
<b>Green Mode</b> 	●		
Relay Output	●		

● Included ○ Optional

## Detection range

DR Labels, Supertag	Up to 120 cm
Ferrite Tags	Up to 140 cm
Xtreme Pencil	Up to 160 cm

## Technical specs Controller

Width	470 mm
Height	60 mm
Depth	180 mm
Weight	5 kg
Mains	110/220 V
Relay/Inputs/Outputs	1/2/2
Operating temperature	Up to 58°C / 185°F

## Product reference

Floor Loop system	XS-FS58D
-------------------	----------

## Package contains

1x Floor System AM Controller
1x 12.5m Loop cable
2x 7-pin cable connectors
1x 58 KHz test tag

Since 2004, MTC has been the trusted loss prevention solution supplier for both local and global distributors. Meanwhile, we are proud to have our products trusted, successfully sold and installed in more than 75 countries.
