

RF security systems

X-CLEAR

The full piano black X Clear RF system is specially designed to ensure superior detection in glossy environments.

Its' transparent antenna doesn't obstruct the merchandising scheme of the store, yet adds a touch of class and sophistication to the store entrance.

The MTC X-Clear offers a wide aisle solution and is ideal for retailers using RF paper labels. The X-Clear series are compatible with all available MTC 8.2 MHz labels and

Remote system management

All MTC RF Dual systems are easily installed and tuned through software. Remote tuning capability reduces maintenance costs and downtime.
